**YANMAR**  
**EVO**  **CENTER**  
EMPOWERING SUSTAINABILITY

# Home to Empowering Sustainability

The YANMAR EVO//CENTER was created to help empower the YANMAR global mission of creating a sustainable future.

Opened in the Fall of 2017, the EVO//CENTER is a 50,000+ sq. ft. facility featuring a product showroom/museum, a 300 person auditorium, a state-of-the-art training academy, private meeting and event space, outdoor common areas, product demonstration field and more.

The facility also supports the local community with an active calendar of events focused on empowering sustainability.

## About YANMAR Academy

At the heart of the EVO//CENTER is the YANMAR Academy, a year-round training program taught by industry experts to help empower, grow and strengthen our national dealer network. Encompassing six dynamic classrooms with state-of-the-art training bays, YANMAR Academy is a powerful resource to help our dealers recruit talent and drive profitability across their businesses.

The format of YANMAR Academy is engineered to ignite collaboration between dealers and Academy trainers through hands-on, immersive learning that shares our global company's industry-leading expertise in repair, diagnostics, maintenance, customer service and sustainability.

## Joining us at YANMAR Academy?

# THINGS TO KNOW BEFORE YOU GO

## Safety is a Priority

Safety is a top priority for all of us at YANMAR America, our dealers and for our guests at the EVO//CENTER. We ask that while attending YANMAR Academy training sessions at the EVO//CENTER, proper safety equipment be worn at all times, including safety toe shoes for participation in shop activities.

When on the surrounding property of the EVO//CENTER and during any product demonstrations, attendees should be aware of their surroundings, especially if operating a vehicle while using proper safety precautions.

## Recommended Dress Code

Training at YANMAR Academy is about hands-on learning and comfortable clothing is critical when staying active. We ask that attendees dress appropriately in jeans, or comfortable pants, paired with a business casual shirt, such as a button up, polo or t-shirt. Attendees may also wear a uniform or shirt from their dealership.

We ask that attendees refrain from wearing any graphic t-shirts advertising bars, alcohol, musical bands, cigarettes or any other clothing that may be considered offensive.

No athletic apparel, such as shorts or gym shoes, should be worn while attending a training session or in the classroom.

# THINGS TO KNOW BEFORE YOU GO

## Class Times

Classes begin at 9:00 A.M. and end around 4:30 P.M. each day. Classes scheduled on a Friday typically end at 12:00 noon. When scheduling return flights, please plan accordingly for potential traffic delays when driving to the airport.

It is important to plan your departure travel accordingly and not leave early or before the class ends. There is a test at the end of each class that all attendees will need to pass in order to get credit.

## Wi-Fi

The EVO//CENTER offers free Wi-Fi to our visitors. Upon arrival, please ask the receptionist or ask your training host for a password to use during your training.

## Cameras and Recording Devices

Devices that have the ability to capture images (e.g. cameras and camera phones) or sound (e.g. digital and tape recorders or video cameras) are not allowed for use during training without prior approval.

## Weapons Policy

Any item that can be used as a weapon is strictly prohibited from being brought into the EVO//CENTER facility and immediate property. Examples of prohibited items include:

- Any type of firearm, including but not limited to handguns, shotguns or rifles
- Explosives or ammunition
- Knives with blades over 2 ½ inches
- Clubs, nun chucks or other martial arts weapons

# GETTING THERE

The EVO//CENTER is conveniently located north of Atlanta in Acworth, Georgia just off I-75 at exit 277. The facility is easily accessible if traveling regionally by car. If traveling by plane, you can choose from two major airports. We recommend securing a rental car for transportation to and from the airports.
